## INVESTMENT RISKS:

All investments, including litigation finance, is highly speculative in nature and involves substantial risk of loss. We encourage our investors to invest very carefully. We also encourage investors to get personal advice from your professional investment advisor and to make independent investigations before acting on information that we publish. Much of our information is derived directly from information published by companies or submitted to governmental agencies on which we believe are reliable but are without our independent verification. Therefore, we cannot assure you that the information is accurate or complete. We do not in any way whatsoever warrant or guarantee the success of any action you take in reliance on our statements or recommendations.

Past performance is not necessarily indicative of future results. All investments carry significant risk and all investment decisions of an individual remain the specific responsibility of that individual. There is no guarantee that systems, indicators, or signals will result in profits or that they will not result in a full loss or losses. All investors are advised to fully understand all risks associated with any kind of investing they choose to do.

Hypothetical or simulated performance is not indicative of future results. Unless specifically noted otherwise, all return examples provided in our websites and publications are based on hypothetical or simulated investing. We make no representations or warranties whatsoever that any investor will, or is likely to, achieve profits similar to those shown, because hypothetical or simulated performance is not necessarily indicative of future results.

Don't enter any investment without fully understanding the worst-case scenarios of that investment.

## DISCLAIMER:

All calculations and data presented within Money Is publications and digital marketing and media including but not limited to websites, brochures, presentations and return models are deemed to be accurate, but accuracy is not guaranteed. The projected pro forma returns on investment are intended for the purpose of illustrative projections to facilitate analysis and are not guaranteed by Collective Influence Inc. or its affiliates and subsidiaries. Past performance is not an indicator whatsoever of future results.

The information provided herein is not intended to replace or serve as a substitute for any legal, real estate, tax, or other professional advice, consultation, or service. The prospective buyer should consult with a professional in the respective legal, tax, accounting, real estate, or other professional area before making any decisions or entering into any contracts pertaining to the property or properties described herein.

All marketing and media material has been prepared to provide summary, unverified information to prospective investors, and to establish only a preliminary level of interest in the subject property. The information contained herein is not a substitute for a thorough due diligence investigation. MI has not made any investigation, and makes no warranty or representation, the future projected financial performance of the property, or the case. The information presented has been obtained from sources we believe to be reliable; however, MI has not verified, and will not verify, any of the information contained herein, nor has MI conducted any investigation regarding these matters and makes no warranty or representation whatsoever regarding the accuracy or completeness of the information provided.

No communication by Collective Influence Inc. or any of its affiliates or companies it manages (collectively, "Money Is Mastermind"), through this website or any other medium, should be construed or is intended to be a recommendation to purchase, sell or hold any security or otherwise to be investment, tax, financial, accounting, legal, regulatory or compliance advice. Nothing on this website is intended as an offer to extend credit, an offer to purchase or sell securities or a solicitation of any securities transaction.

Any financial projections or returns shown on a presentation or website are estimated predictions of performance only, are hypothetical, are not based on actual investment results and are not guarantees of future results. Estimated projections do not represent or guarantee the actual results of any transaction, and no representation is made that any transaction will, or is likely to, achieve results or profits similar to those shown. In addition, other financial metrics and calculations shown on the website (including amounts of principal and interest repaid) have not been independently verified or audited and may differ from the actual financial metrics and calculations for any investment, which are contained in the investors' portfolios. Any investment information contained herein has been secured from sources that Collective Influence Inc believes are reliable, but we make no representations or warranties as to the accuracy of such information and accept no liability therefor.

Private placement investments are NOT bank deposits (and thus NOT insured by the FDIC or by any other federal governmental agency), are NOT guaranteed by Money Is, or Collective Influence Inc. or any other party, and MAY lose value. Neither the Securities and Exchange Commission nor any federal or state securities commission or regulatory authority has recommended or approved any investment or the accuracy or completeness of any of the information or materials provided by or through the website. Investors must be able to afford the loss of their entire investment.

Alternative investments should only be part of your overall investment portfolio. Further, the alternative investment portion of your portfolio should include a balanced portfolio of different alternative investments.

Presentations and Investments are intended for accredited investors. Any user that accesses this site, or our presentations both visual or verbal, or any pages contained herein, agrees to be bound by this disclaimer.

Each investor is encouraged to review and evaluate the investments at the investor's own discretion and determine at their own discretion, the appropriateness of making the particular investment. Collective Influence Inc, and Money Is strongly encourages each investor to complete their own due diligence with licensed professionals such as a CPA or attorney, prior to making any investment and will not offer any legal nor tax advice.

Investors should be able and willing to withstand the entire loss of their investment.
